

## Plan ahead and save!

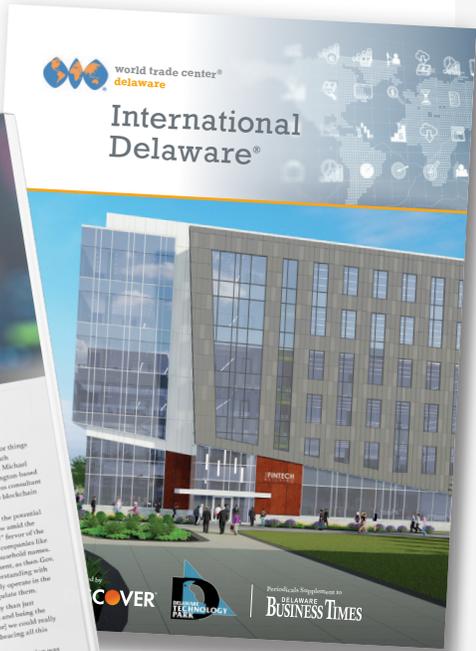

While you are planning your **Innovation Delaware** buy, think ahead to **World Trade Center International Delaware** magazine. This year's theme for International Delaware magazine is Science & Technology. Reserve space in both publications and **receive 10% off** of each placement.

- Is your business in the Science & Technology field?
- Do you do business with other businesses in the Science & Technology field?
- Does your company benefit from global trade?
- Do you do business with companies that operate in international markets?

If you answered yes to any of these questions, then both *Innovation Delaware* and *World Trade Center International Delaware* are excellent vehicles for your ad.

*Don't miss your opportunity!*
